MISSION

Michigan CASA is dedicated to changing the lives of abused and neglected children by advocating for their best interests through establishing, supporting, and expanding quality CASA programs throughout the state of Michigan to ensure every child that needs a volunteer, has one.

VISION

Michigan Court Appointed Special Advocates (CASA) is dedicated to ending the cycle of child abuse and neglect, one child at a time

THE ROLE OF MICHIGAN CASA

LOCAL PROGRAM SUPPORT

Michigan CASA identifies, disperses, and manages state funds, helping local CASA programs effectively utilize these resources to achieve their missions while ensuring compliance with CASA Standards, court mandates, and state laws.

ADVOCACY

Michigan CASA also leads statewide awareness campaigns to inspire people to become Court Appointed Special Advocates for children in the foster care system. It provides vital education and resources, including programming on anti-child trafficking, trauma-informed care, and volunteer recruitment.

TRAINING

Michigan CASA offers innovative training and support for local program leadership, collaborates with state agencies and policymakers to improve outcomes for children, and provides technical assistance, crisis communication, and fundraising support to enhance local programs' advocacy efforts.
